CHURCH PLANTING

Lake Life Church of Alanson, MI will have its public launch on Sunday, September 24. Pastor Daniel Vandock and a core group of people have been meeting regularly in the local school and have conducted a series of outreach events this spring and summer in anticipation of the launch.

Pray, for the start of this new work in northern Michigan, that the Lord will use Lake Life to reach men and women with the Gospel and make disciples in fulfillment of the Great Commission.
